

About Asahi International

Asahi International Limited is a subsidiary of Asahi Group Holdings Ltd, a global beverage and food company listed on the Tokyo Stock Exchange, Japan.

The UK headquartered business is the custodian for leading super premium beer, ale, craft lager and cider brands including Peroni Nastro Azzurro, Asahi Super Dry, Grolsch, Pilsner Urquell, Koze!, Meantime, Fuller's London Pride and Cornish Orchards.

Asahi International leads commercial operations across 5 continents from key operations in United Kingdom, France, USA, Canada, China, Taiwan, South-Korea to Latin America and Asia.

With sales revenues over one billion Euros, four world-class production facilities, customers in more than 80 markets and 1200 employees, we deliver value into the category and aim to change the way people think about beer.

Thanks to our aspirational brands, engaging marketing activities, agile distribution and premium execution we are well positioned to continue our growth and become a global premium beer powerhouse.
